## Micro-Tech™ Pillow

For a soft and huggable feel that is balanced with support, discover comfort in any sleeping position. TEMPUR® Extra Soft Material inside allows you to relax effortlessly and sleep soundly. The pillowy soft fabric can be removed and washed at 40°C, keeping the pillow fresh and hygienic. Your head, neck and shoulders will thank you each morning.

## TEMPUR® Zero-G™ Micro-Tech™

**Flat preset position:** A convenient one touch button that lowers the legs and head portion of the bed to a flat position.

**Gravity Release Safety Feature:** Head and foot motors designed to lower the mattress by retracting only with gravity, which minimises pinch points.

**Smooth Power™ Lifting System:** Head and foot motors that gradually increase in power, providing the user with seamless transition from position to position.
